

## **DECLARATION OF ORIGINALITY / DELARATION ON PLAGIARISM**

I, the undersigned, declare that:

1. My Certified Financial Engineer thesis is my own work and does not involve plagiarism or outside help.
2. I did not use quotes from literature or use the ideas of other authors without due acknowledgement at the respective places within the text of my work.

Furthermore, I understand that inaccuracy of this declaration could lead to exclusion from taking any further examinations for the Certified Financial Engineer. I also understand that, as a consequence, successfully completed examinations will be disqualified, and that I can be denied participation in the Certified Financial Engineer program.
